## **BCHF PROGRAM FOR NOVEMBER WILL FOCUS ON ONE OF THE MOST IMPORTANT EVENTS IN THE AMERICAN CIVIL WAR (1860 - 1865) CALLED THE "BATTLE OF GETTYSBURG." THIS BATTLE OCCURRED JULY 1,2,3 OF 1863. STEVE HEDGEPEETH AUTHOR AND FORMER WRITER FOR THE "BUCKS COUNTY COURIER TIMES" NEWSPAPER WILL BE THE GUEST SPEAKER.**

For everyone interested in the "Battle of Gettysburg" - July 1st, 2nd, and 3rd, 1863, our November BCHF speaker will be Steve Hedgepeth. He was a former writer for the Bucks County Courier Times newspaper and author of the book, "What They Did There: Profiles From The Battle of Gettysburg." This book was published on April 1, 2014 and contains 387 pages.

Mr. Hedgepeth presents a unique view of the subject telling the story of the battle through conventional narrative via 170 mini-bios of not only combatants blue and gray but of civilians, doctors, nurses, artists, photographers, Samaritans, saints, sinners and the moral terrain in-between.

We look forward to having Mr. Hedgepeth as our speaker. This will be on Wednesday, November 18, 2015 at 7:30 p.m. Included at the meeting will be the election of Board members of BCHF. The program is Free to all and the Public is invited to attend. Light refreshment will follow the presentation by Mr. Hedgepeth. At this time attendees will have an opportunity to ask questions about the presentation. We hope that you will be there and bring a friend or two. High School students may enjoy hearing about this subject.

### **November 19, 1863**

Just (272) words were spoken by Abraham Lincoln at the dedication of the Cemetery at Gettysburg; however those words have lived on in U.S. history and continue to inspire most people who read it.

"Four score and seven (87) years ago, our fathers (founders) brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal."

"Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battlefield of that war. We have come to dedicate a portion of that field as a final resting place for those who here gave their lives that, nation might live. It is altogether fitting and proper that we should do this."

"But, in a larger sense, we cannot dedicate-we cannot consecrate-we cannot hallow-this ground. The brave men, living and dead, who struggled here, have consecrated it far above our poor power to add or detract. The world will little note nor long remember what we say here, but it can never forget what they did here. It is for us, the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us - that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; that this nation, under God, shall have a new birth of freedom; and that government of the people, for the people, shall not perish from the earth." - ABRAHAM LINCOLN

### **39th HISTORIC BRISTOL DAY WAS A CROWD PLEASER**

Saturday, October 17, dawned with blue skies and sunshine and drew a big crowd to the streets of Bristol Borough. A variety of merchandise vendors and information tables lined the 200 and 300 blocks of Radcliffe Street, hungry visitors followed their noses to the food stands at the river end of Market Street, live entertainment and a sailboat regatta drew people to Lions Park; art, quilts and vintage clothing exhibits attracted a large crowd, and the open houses and Tea delighted HBD ticket holders. A shuttle bus provided free transportation to the Children's Corner and the Car Show at Snyder-Girotti School on Beaver Street and to the activities and exhibits at the upper end of Radcliffe Street. And now BCHF begins to prepare for its 40th Historic Bristol Day, which will fall on Saturday, October 15th, 2016! But before we bid adieu to this year's event, we extend a sincere THANK YOU to Liz Fisher, who chaired Historic Bristol Day for the second consecutive year, the dedicated, hard-working HBD Committee, the many volunteers, and all those whose involvement brought this year's event to a successful conclusion.

## ANNOUNCING 2016 PROGRAMS

BCHF's programs will be held a little later in the year than normal, partly because of the bad winter weather we've had to contend with in past Januarys and Februarys and partly due to the unavailability of the speakers we had in mind.

The Ways & Means Committee has booked two programs which we hope will entertain and educate BCHF members and the general public as well.

On Sunday, March 13th, at 2 p.m., Neil Hartley will return to the BCHF stage to do a first-person presentation entitled "The Magic of Lionel: The Story of Joshua Lionel Cowen." This past January 25th, Mr. Hartley entertained us with his one-man show, "Sherlock Holmes and the Speckled Band."

"An Artist in Your Pocket" is the title of our Sunday, April 18th, program, which will be presented by Donald Everhart, lead sculptor-engraver for the U.S. Mint in Philadelphia. In addition to Mr. Everhart's long list of designs and sculptures for the Mint, he was commissioned in August of this year to create the Papal Medal to commemorate Pope Francis' visit to the United States.

A donation of \$5 per attendee is suggested. Light refreshment will be served.

Mark those two dates on your 2016 calendar, and invite your relatives and friends to join you at one or both of those programs!

## EXTRA - EXTRA

BCHF had one new member join our organization on Historical Bristol Day.

"Kathy Hickey, 3595 Iris Avenue, Trevoise, PA 19053"

Radcliffe Cafe, on Radcliffe Street in Bristol, who donated the Car Show trophies. Thanks for your donation Mr. DeMarco.

## **THIS IS INTERESTING INFORMATION ABOUT THE AMERICAN CIVIL WAR, PLUS OTHER INTERESTING FACTS THAT ARE RELATED TO THE SUBJECT**

There were 50,000 dead, wounded or missing in the American Civil War.

Lincoln traveled 120 miles between Washington, D.C. and Gettysburg, PA, to help dedicate the National Cemetery at Gettysburg.

Andrew Curtin was the Governor of Pennsylvania at the time of the Battle of Gettysburg in 1863.

Considering all wars in which Americans have fought, the American Civil War had the greatest number of soldiers killed. (Remember that the Civil War included both the Union and Confederacy).

Lincoln was 54 years old when he delivered the Gettysburg Address, in 1863.

Lincoln was 56 years old at the time of his death in April of 1865.

The population of Gettysburg at the time of the battle was approximately 2,500 people.

One of the difficulties following the Battle of Gettysburg was that there were many mules and horses dead and that it was in the hot summer and the smell and odor brought to the area a very horrible smell with the rotting flesh.

Gettysburg was a small town and it was surrounded by fields of wheat, corn and other vegetables and fruits. Apple and Peach orchards were found in abundance at Gettysburg.

Battles were fought not only in the fields and in the town itself, but that there were also battles in the woodlands around the town.

Jenny Wade was the only lady within the town of Gettysburg that was killed during the actual battle. A bullet came through the

door of her house and that bullet killed her in her kitchen.

Robert E. Lee was the leading general of the Confederacy during the Civil War. His house was in Virginia opposite Washington, D.C. That house now sets in the middle of the National Cemetery across from Washington, D.C. President Kennedy and his wife Jackie and their infant son are buried in that cemetery. This is also the cemetery where the Tomb of the Unknown Soldier is located.

It was General Robert E. Lee, Confederate general and Ulysses S. Grant, Union general, that met at Appomattox, VA, to sign the final papers that ended the war.

There are many books written about the American Civil War - why not try to find additional information about American's most devastating war which occurred on our own soil.
